

Welcome to the Dunbar/Spring neighborhood!

You are now in walking/biking distance of downtown, 4th Ave, the University of Arizona, Pima Community College, "The Loop", K-12 schools, churches, and more! Our neighborhood itself is also great for walking and bicycling, though we are trying to make it better still. See our neighborhood walkability study at <http://dunbarspring.org/walkability>

This neighborhood is a lively mix of young families and old-timers who have lived here their whole lives. There are a lot of artists, musicians, authors, business owners, educators, government employees, and community minded folks. We have an eclectic mix of owners, renters, and students.

There are a lot of public art, traffic calming, and water harvesting projects in our neighborhood already ,but we always are looking for new residents to get involved and improve our public spaces, including rights-of-way.

Our monthly neighborhood meetings are open to everyone – we meet the 3rd Monday of the month at 7 p.m. online and quarterly in person. Please join us – we need your involvement to make the neighborhood the best it can be.

The neighborhood website is <http://dunbarspring.org> . You can get the link to our online monthly meetings if you click on the Events tab. You can sign up for the neighborhood e-mail list on the website in the New to D/S link and Dunbar/Spring is also on <https://NextDoor.com> .

You can always contact Neighborhood Officers through our website if you have questions on the Contact Us Link: <http://dunbarspring.org/contact/feedback>
